Spring is almost upon us, and as the nights get lighter and the weather warmer, we have a number of events at the centre, with something to suit everyone.

The new café is proving to be extremely popular and is a great way to come in and see the Centre and view the art exhibition, whilst sampling the delicious home-baking. It’s also a great meeting place for either before or after classes, or just to meet friends before heading uptown.

We are extremely pleased to welcome an array of mediums and speakers over the next few months and the number of classes continue to grow, from yoga to tai-chi, lunchtime meditation and the ‘Hearing Voices Choir’ to the various psychic awareness classes.

Our own Ewan Irvine has been running a very successful Mediumship class, which continues with a 6 week block focusing on one to one sittings, starting 3rd April.

Tony Stockwell and James van Praagh are back with the next stage of their “World Class Mediumship” Course and there will be an evening with Gordon Smith which will take the format of a ‘chat-show’ where he will answer questions on his life and his mediumship. And, you’ll get a chance to ask a question too!

We also have an Open Day on Saturday 3rd May. The Open Days are always a great success and it is a chance to have a mini sitting or a therapy and come and hear some interesting speakers.

Why not bring along friends and family to our Open Day and show them around our wonderful building? Whatever you choose, I hope to see you soon.

Profiles

Kathryn Grundy & Cain Healing

We are delighted to have Kathryn Grundy at the centre this year, and on May 9th there will be an opportunity to see her demonstrate ‘Cain Healing’.

Cain Healing was introduced by John Cain from Birkenhead, who was an unconventional healer. He appeared to put people into a modified state of consciousness during which there seemed to be spontaneous improvement. Sometimes sufferers from muscular problems got up and danced; others performed what appeared to be yoga exercises. Cain believed spirit guides controlled his healing, and these were identified independently by other psychic mediums. Although Cain sometimes physically touched people, a great many of his cures were effected without any direct contact. He occasionally practiced absent healing.

Cain was investigated by parapsychologists and performed healing under laboratory conditions. He was tested by Japanese researchers in Tokyo in 1976, and also by Prof. John Taylor in London. In spite of Taylor’s scepticism about paranormal phenomena, his findings on Cain’s healing powers were positive.

Cain died on September 28, 1985, only a few days after publisher Peter Bander had approached him to discuss a second edition of the book Heal, My Son! He was one of the most celebrated British healers, whose talents were widely endorsed.

Kathryn Grundy and her husband, Tom, are 2 of only 4 people who were trained by John Cain to continue his healing work. So, this is your unique chance to see and experience first hand the affects of Cain Healing and to experience Trance Healing in its truest form. Not to be missed!

Jan Dayton

Jan is with us in May this year.

Jan connects with your loved ones and friends bringing evidence of their survival by drawing the spirit being using charcoal/pastel to create a portrait! The ultimate evidence—a portrait!

Jan is an International Medium; she has worked with the ‘Most Haunted’ team on TV; a Harry Edwards Registered Healer; United Spiritualists healer/Counsellor; Reiki Master and Life Coach and has been practising Mediumship for Many years, but on 30th May, she will bring your loved ones alive by drawing a picture of them for you to take away. Nothing can provide greater proof!

An Evening with Gordon Smith

Friday 20th June at 7.30pm
Tickets £20

Hailed as “Britain’s most accurate medium” Gordon has been featured in numerous television documentaries including the BBC’s Everyman, “Mediums: Talking With the Dead” 3 part series as well as appearing as an expert guest on various shows such as This Morning, Richard and Judy and the BBC's Heaven and Earth. Gordon has also presented one of the nation's favourite paranormal shows, Living TV’s 'Most Haunted', as well as his own series on the Biography Channel.

The evening will be an opportunity for Gordon to answer questions on mediumship, intuition, and his own incredible life story.

This is an event not to be missed and WILL sell out quickly.

We are also giving you the opportunity to ask a question too. After booking, please submit a question by email or hand into reception. All questions will be placed in a hat and a number drawn at random to be asked on the night.
