A Message from The Chairman

Ann Treherne
Chairman of The Palmerston Trust

Welcome to our Summer edition of our What's On Brochures and we've got some exciting things coming up. On 20th July NHK, the National Japanese TV Broadcasting Company are here to film The Tony Stockwell and James Van Praagh Demonstration. They are an in-house production team filming a documentary. So, if you're lucky enough to have tickets for this sell-out Demonstration—you could also be appearing on Japanese TV! On 21st Sept, Gary Manion, also of TV fame, will be demonstrating Psychic Surgery.

Gary appeared on a Channel 4 documentary where some amazing results were witnessed! We are of course a Venue for The Edinburgh International Festival Fringe—see what's on, on our back page! And, we are formulating an exciting Autumn Programme for our Psychic Investigation Unit. They are working on venues for vigils in haunted places, old-fashioned séances as well as demonstrations and experiments. The first event is at Cousland on 16th August—your chance to be part of the investigating team!

To compliment our Therapies By Donation, we are launching Private Sittings by Donation! See this page for further info. And, by popular demand our tearoom is back up and running with home-made cakes, speciality coffees and teas!

There are Limestone Caves in the village, a Blacksmiths and a Chapel where it is reported that Mary Queen of Scots stayed. For our Autumn Programme, there will be vigils organised in haunted places. Two such places that are keen to have us investigate are a haunted Castle in The Borders, and a haunted hotel in Mid-Lothian. Also, we Plan to have experimental evenings of Tarot, Flower Sentience, Tea leaves, Hypnosis and Ribbons. We also plan to conduct some old-fashioned séances in blackout conditions—all as forms of experiment to assess what evidence we can find for psy—or paranormal phenomena! If you want to be part of this team of investigators, give us your contact details. Dates for future events will be posted in The Centre—Watch This Space!
